PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 10th February, 1954

SUBJECT.—*Import of articles falling under Serial Nos. 9, 10, 74/IV and 12(a)/V—Application of concession of interchangeability to July-December 1953 licences.*

No. 12-ITC(P.N.)/54.—Attention of importers is invited to remarks against Serial Nos. 9, 10, 74/IV and 12(a)/V of Appendix 'A' to the Policy Red Book for the period January-June 1954, wherein it is stated that, although quota licences will be granted separately for these serial numbers, they will be valid for import of any or all the articles falling under these serial numbers.

2. Representations have been received from the trade that this concession should be extended to licences issued during the July-December 1953 period also so as to enable licence holders for Serial Nos. 9, 10, 74/IV and 12(a)/V to utilise the unutilised portion of their licences for that period for import of any or all the articles falling under these serial numbers. It has been decided that the concession of interchangeability available for the January-June 1954 period will also be extended to valid licences issued for the serial numbers in question during the July-December 1953 period.

3. It will not, however, be necessary for holders of July-December 1953 licences for these serial numbers to present their licences to the licensing authorities for endorsement to this effect. Customs authorities will allow clearance on the strength of this Public Notice.
